MUHAMMAD EHTESHAM MURTAZA

Graphic Designer, Frontend Developer

About Me

Creative and detail-oriented Graphic Designer with expertise in frontend development. Strong proficiency in designing visually appealing graphics and user interfaces, as well as coding responsive websites. Skilled in Adobe Creative Suite, HTML, CSS, and JavaScript, with a keen eye for modern design trends. Able to effectively collaborate with cross-functional teams to deliver high-quality designs and user experiences. Passionate about combining creativity and technical skills to bring innovative ideas to life.

EXPERIENCE

Computer Typist
The Educators Malir Campus, Karachi
January 2024 - Present

Since January 2023, I've had the privilege of serving as a computer typist at The Educators Malir Campus. My role revolves around ensuring the seamless execution of administrative duties by meticulously typing and promptly delivering documents. With a keen eye for detail and a commitment to efficiency, I take pride in contributing to the smooth flow of operations within the institution.

Graphic Designer (Remote)
Tech Zenith Solutions, Dubai
July 2023 - January 2024

As of now, I've parted ways with Tech Zenith Solutions. My journey with them as a remote graphic designer has been enriching, and I'm grateful for the opportunities I've had to contribute to their projects. As I move forward, I'm excited to explore new ventures and continue to grow in my field.

EDUCATION

Diploma in Software Engineering
Aptech Metro Star Gate, Karachi
June 2023 - Present

Intermediate in Commerce
Govt. Superior Science and Commerce College, Karachi
August 2021 - September 2023
